

## Tanzania Visa Application Notes:

Please go to Tanzania's visa applications website to begin your application:

<https://eservices.immigration.go.tz/visa/>

Many of the entries are somewhat self-explanatory. In order to clarify the information being required, here are notes about each page of the online Tanzania visa application. Please be sure to complete each entry that is designated with an \*. We recommend not entering information in spaces not designated with an \* unless included on this document.

Personal Information: It's very important that all your information matches the information on your passport.

Contact, Address and Employment:

Employment Status: There is no category for retired. If you are retired, please select "unemployed."

Passport Information: It's very important that all your information exactly matches the information on your passport.

Passport Type: Ordinary

Place of Issue: See your Passport

- a. US passports do not specifically state a place of issues (they used to). I suggest the following text:  
For US citizens the Place of Issue is the United States Department of State.

Travel Information:

Type of Visa Requested: Multiple Entry Visa (**This is the visa that US citizens are required to purchase.**)

Purpose of your visit: Leisure and Holiday (Bilateral Agreement, USA)

Is this your first time to visit Tanzania: Indicate yes or no

If no, give the last date of your most recent visit only. There is no need to input your Visa Number.

Destination: Tanzania Mainland

Port type: Airport

Port of Entry: Kilimanjaro International Airport (KIA)

Port of Departure: Kilimanjaro International Airport (KIA) (for most travelers)

- a. Some people may be departing from Seronera, if flying to Rwanda, or
- b. Some may depart from Zanzibar.
